MATOSINHOS

Matosinhos is a coastal city in northern Portugal, known for its strong connection to the sea, excellent gastronomy, especially fresh fish and seafood, and a high quality of life. With wide beaches, a mix of modern and traditional architecture, and close proximity to Porto.

Matosinhos is an increasingly popular place to live, work, and enjoy leisure by the Atlantic.

The background of the slide is a photograph of a narrow, arched stone passageway. The walls are made of rough-hewn stone, and the floor is paved with cobblestones. In the distance, a set of stone steps leads up through the archway. The lighting is warm and focused on the path ahead.
